

## 2007 Threats and Non-Mission Proposals Facing California's State Park System

### NORTHERN CALIFORNIA

Park Name	District	Project	Proposing Entity	Threats/Impacts
Anderson Marsh SHP	Northern Buttes	North Boundary Condo Development	Private developer	Impacts to wildlife habitat, viewsheds and noise
Brannan Island SRA	Gold Fields	Natural gas wells	Romara Energy	Loss of park acreage/boundaries
Burton Creek SP	Sierra	Ongoing water diversion	Private subdivision	Threatens instream resources
Candlestick SRA	Diablo Vista	3rd Street Bypass Bridge and road access through the park	City of San Francisco Department of Public Works	Impacts to natural resources, and recreational opportunities
Castle Crags SP	Northern Buttes	Timber harvest clear cut near park boundary	Roseburg Forest Products	Impacts on viewshed
Clear Lake SP	Northern Buttes	Contaminated urban runoff	Private land owners	Degradation of water quality in state parks
Delta Meadows Property	Gold Fields	Mooring/abandonment of vessels	Private boat owners	Impacts to wildlife and habitat
Delta Meadows Property	Gold Fields	Transmission Tower ROW management	TransTower (group of TV stations)	Impacts to wildlife and habitat
Donner Memorial SP	Sierra	Commercial development	Water plant/lodge development	Impacts to natural resources, visitor experience
Eastshore Seashore SP	Diablo Vista	Bioswale ( 375' long by 15' wide)	City of Berkeley Department of Waterways & Recreation	Impacts to natural resources, and recreational opportunities
Eastshore Seashore SP	Diablo Vista	Cleanup of Mare Island	Department of Defense	Impacts to water quality
Folsom Lake SRA	Gold Fields	New spillway and dam raise	Army Corps, Reclamation, SAFCA	Loss of recreational opportunities
Folsom Lake SRA	Gold Fields	New pump station and temperature control device	El Dorado Irrigation District	Loss of park acreage/boundaries
Folsom Lake SRA	Gold Fields	Green Valley Road widening	El Dorado County	Loss of park acreage/boundaries
Folsom Lake SRA	Gold Fields	Auburn Folsom Road widening	Placer County	Impacts to wildlife and habitat
Folsom Lake SRA	Gold Fields	Hazel Avenue widening	Sacramento County	Disruption of recreational opportunities
Folsom Lake SRA	Gold Fields	Bike trail bridge	City of Folsom	Impacts on historic grounds
Folsom Lake SRA	Gold Fields	Encroachments	Private homeowners	Impacts to natural resources
Folsom Lake SRA	Gold Fields	New Folsom Dam bridge	Army Corps, City of Folsom	Disruption of recreational opportunities
Governor's Mansion SHP	Capitol	Adjacent entertainment venues	Avalon Night Club	Threatens the historical integrity of the area
Harry A. Merlo SRA, Humboldt Lagoons SP, Patrick's Point SP	North Coast Redwoods	Casino development	Big Lagoon Rancheria	Visual impacts, increased noise and traffic impacts, water quality impacts, including non point source pollution and impacts to habitat protection and species
Hungry Valley SVRA	Hungry Valley	Housing tract	Private developer	Visual impacts, water quality, potential trespass, threats to grasslands
John Marsh/Cowell Ranch SHP	Diablo Vista	Residential development construction	Shea Homes	Impacts to cultural and natural resources
John Marsh/Cowell Ranch SHP	Diablo Vista	Gas pipeline bore	PG&E	Impacts to cultural, natural, and historical resources
John Marsh/Cowell Ranch SHP	Diablo Vista	Private water line	Private Homeowner	Impacts include encumbering park land for private benefits
John Marsh/Cowell Ranch SHP	Diablo Vista	College Entrance Road	Contra Coasta County Community College District	Impact to natural and cultural resources
John Marsh/Cowell Ranch SHP	Diablo Vista	Chevron gas line easement request	Highway 4 Bypass Authority	Impact to natural and cultural resources
Lake Del Valle SRA	Diablo Vista	High speed rail	CA High Speed Rail Authority (HSRA)	Impacts to natural resources, wildlife habitat
Marshall Gold Discovery SHP	Gold Fields	Parking for adjacent theater	Olde Coloma Theater	Disruption of recreational opportunities
McArthur-Burney Falls SP	Northern Buttes	Widening HWY 89 through 3 miles of park	Caltrans	Destruction of cultural and natural resources, disruption of recreational opportunities
Mt. Diablo SP	Diablo Vista	Cell phone repeaters on PG&E power poles	Cellular One	Increased traffic on existing easement access roads could lead to increase in road related erosion and detrimental to water quality and natural resources
Navarro River Redwoods SP	Mendocino	Timber management	Mendocino Redwood Company	Impacts to water quality, wildlife habitat

## 2007 Threats and Non-Mission Proposals Facing California's State Park System

### NORTHERN CALIFORNIA (continued)

Park Name	District	Project	Proposing Entity	Threats/Impacts
Old Sacramento SHP	Capitol District	Commercial & residential development encroachment	Private	Impacts to cultural and historic resources, Impacts to public access to park
Richardson Grove SP	North Coast Redwoods	Widening of Highway 101 through park	Caltrans	Loss of park acreage/boundaries, loss of recreational opportunities and impacts to natural resources
Robert Louis Stevenson SP	Diablo Vista	Establish water rights on DPR lands	Adjacent private homeowners	Impacts to natural resources
Robert Louis Stevenson SP	Diablo Vista	Conversion of native forest and upland habitat to commercial vineyard	Private owner	Impacts to water quality, increased drainage into park lands
Sonoma SHP	Diablo Vista	Install gated trail through park for private access (for wedding uses)	Sonoma League for Historic Preservation	Impacts to visitor access
Sonoma SHP	Diablo Vista	Adjacent private development	City of Sonoma Planning Department	Visual impacts, impacts to scenic resources
Sonoma SHP	Diablo Vista	Adjacent commercial development	Private	Visual impacts, impacts to scenic resources
Sutter's Fort SHP	Capitol	Adjacent commercial development	Sutter Medical Foundation	Impacts on viewsheds and visitor access due to traffic/parking
Tahoe SRA	Sierra	Encroachments	Private	Impacts to natural resources
Various Mendocino area park units	Mendocino	Timber management	CA Department of Forestry	Impacts to wildlife corridors, loss of habitat, water quality degradation, visual impacts
Various North Coast area parks	North Coast Redwoods	Illegal marijuana cultivation	Private	Impacts to cultural and natural resources, disturbance of species, water quality contamination, potential for wildfires, safety issues
Washoe Meadows SP	Sierra	Dogs off leash	Private dog owners	Potential for increased pollution, water quality impacts, impacts to visitor experiences

### CENTRAL CALIFORNIA

Park Name	District	Project	Proposing Entity	Threats/Impacts
Andrew Molera SP	Monterey	Water overdraft from Big Sur River	El Sur Ranch	Water withdrawals may be degrading steelhead habitat in the river
Antelope Valley CA Poppy Reserve	Tehachapi	Motorsports park	Malloy Family Partners Ltd.	Visual and noise impacts, impacts to visitor experience
Antelope Valley CA Poppy Reserve	Tehachapi	Wind turbine farm	PPM Energy	Visual, noise and biological impacts, impacts to visitor experience
Antelope Valley Indian Museum SHP	Tehachapi	Bouldering on archeological resources	Private citizens	Cultural impacts, archeological impacts
Butano Redwoods SP	Santa Cruz	Timber harvest proposal	Private logging company	Erosion impacts, impact on park resources
Calaveras Big Trees SP	Central Valley	Logging	Sierra Pacific Industries	Impacts to wildlife and habitat, potential erosion
Carmel River SB	Monterey	Encroachment	Residential homeowners	Displacement of native vegetation on state property from home landscaping and weeds
Castle Rock SP	Santa Cruz	Timber harvest proposal	Private logging company	Potential impact to vegetation, habitat
Castle Rock SP	Santa Cruz	Illegal marijuana cultivation	Private	Safety issues, impacts from trash, significant natural resource impacts
Caswell Memorial SP	Central Valley	Contaminated urban runoff	Private developers	Impacts to water quality from non-point source pollutants
Colonel Allensworth SHP	Tehachapi	Public parking	Private	Impacts to park resources
Colonel Allensworth SHP	Tehachapi	Housing development	Non-profit organization	Impacts to natural resources, increased traffic impacts
Colonel Allensworth SHP	Tehachapi	Commercial dairy	Etchegary Dairies	Visual impacts, air quality degradation, water quality degradation, impacts to visitor experience, impacts to cultural resources, impacts to camping experience
Estero Bay Property	San Luis Obispo	Dumping of toxics from Kesterson clean up	Bureau of Reclamation	Impacts to wildlife and habitat
Fort Ord Dunes SP	Monterey	Desalination water supply project	Marina Coast Water District	Impacts to park boundaries, impacts to natural resources
Henry Cowell Redwoods SP	Santa Cruz	Encroachments	Private landowners	Impacts on resources, use of park staff time and energy
Marina SB	Monterey	Desalination water supply project	Marina Coast Water District	Ongoing erosion may expose well head and create esthetic and public safety issue for park
Monterey SB	Monterey	Seawall	Ocean Harbor House Condos	Seawall may cause erosion to adjacent State Property and restrict lateral beach access
Monterey SB	Monterey	Seawall	Monterey Beach Resort	Seawall may cause erosion to adjacent State Property and restrict lateral beach access
Monterey SB	Monterey	Desalination water supply project	City of Sand City	Impacts to park boundaries, impacts to natural resources

## 2007 Threats and Non-Mission Proposals Facing California's State Park System

### CENTRAL CALIFORNIA (continued)

Park Name	District	Project	Proposing Entity	Threats/Impacts
Monterey SB	Monterey	Proposed hotel/condo project	City of Sand City / King Ventures	Degrade adjacent park habitat, esthetics and recreation uses
Monterey SB	Monterey	Urban runoff	City of Seaside	Impacts to water quality from non-point source pollutants
Monterey SHP - Cooper-Molera Complex	Monterey	Commercial development	Trader Joe's / City of Monterey	New commercial structures adjacent to historic buildings may degrade visitor experiences
Moss Landing SB/ Marina SB	Monterey	Desalination water supply project	Cal-Am Water Company	Impacts to park boundaries, impacts to natural resources
San Simeon SP	San Luis Obispo	Desalination plant	Cambria Community Services District	Potential impacts to Snowy Plover nesting
Silverwood Lake SRA	Tehachapi	Development project	Las Flores Development Company	Impacts to biological resources and wildlife connectivity
Wider Ranch SP (Graywhale)	Santa Cruz	Private gate	Neighboring landowner	Difficulty in accessing natural habitat

### SOUTHERN CALIFORNIA

Park Name	District	Project	Proposing Entity	Threats/Impacts
Anza-Borrego Desert SP	Colorado Desert	Construction of new electricity transmission line	San Diego Gas & Electric	Impacts to cultural and natural resources, visual and noise impacts, recreational impacts
Anza-Borrego Desert SP	Colorado Desert	Explosives survey/removal	US Army	Potential impacts to wildlife, rare plants and cultural resources
Anza-Borrego Desert SP	Colorado Desert	Gypsum mine expansion	BLM	Impacts to viewsheds, air quality and noise
Border Fields SP	San Diego Coast	Border fence	Department of Homeland Security	Loss of habitat, visual impacts
Cardiff SB	San Diego Coast	Sea wall construction	Private developer	Bluff erosion, beach quality
Carlsbad SB	San Diego Coast	Desalination plant	City of Carlsbad/ SD Water Authority	urban runoff, impacts to water quality and quantity
Carpinteria SB	Channel Coast	Slant drill proposal	Veneco Oil, Santa Barbara County	Degradation of water quality
Chino Hills SP	Inland Empire	Channelization of Santa Ana River to accommodate moving an existing sewer line	Orange County Sanitation District/ Riverside County Flood Control/ US Army Corps	Disruption of nationally-recognized area of biodiversity, threats to endangered or threatened species, impediments to wildlife corridors, loss of viewshed, negative impacts to recreational activities
Chino Hills SP	Inland Empire	Mag Lev Train	CA-Nevada Maglev	Disruption of nationally-recognized area of biodiversity, threats to endangered or threatened species, impediments to wildlife corridors, loss of viewshed, negative impacts to recreational activities
Chino Hills SP	Inland Empire	New freeway connecting Riverside and Orange Counties	Riverside County Transportation Commission and Orange County Transportation Authority	Disruption of nationally-recognized area of biodiversity, threats to endangered or threatened species, impediments to wildlife corridors, loss of viewshed, negative impacts to recreational activities
Chino Hills SP	Inland Empire	Water pipeline	MWD	Impacts to natural resources
Chino Hills SP	Inland Empire	Potential housing development	Private developer	Impacts to natural resources, increased traffic impacts
Chino Hills SP	Inland Empire	Widen SR-91	Caltrans/Orange County Transportation Authority	Disruption of nationally-recognized area of biodiversity, threats to endangered or threatened species, impediments to wildlife corridors, loss of viewshed, negative impacts to recreational activities
Dockweiler SB	Angeles	Liquefied natural gas plant	Woodside Energy Ltd.	Impacts to wildlife and habitats, visual impacts
Dockweiler SB	Angeles	Off leash dogs	Private dog owners	Impacts to wildlife
Doheny SB	Orange Coast	Desalination slant drill wells, pipelines	Municipal Water District of Orange County	Loss of recreational opportunities
El Capitan SB	Channel Coast	240 unit gated residential community	Naples Beach, Santa Barbara County	Loss of Gaviota Coast cultural landscape
Huntington SB	Orange Coast	Contaminated urban runoff	Non point sources	Impacts to water quality, natural resources and wildlife, negative impacts to recreational activities
Indio Hills Palms SP	Colorado Desert	Residential development	City of Indio	Impacts to wildlife habitat, viewsheds
Indio Hills Palms SP	Colorado Desert	Cancel Area Resource Management	BLM	Impacts to wildlife habitat
La Purisima Mission SHP	Channel Coast	2,000 unit residential housing development	Multiple projects at Lompoc "Y"	Noise, increased vehicle traffic

## 2007 Threats and Non-Mission Proposals Facing California's State Park System

### SOUTHERN CALIFORNIA (continued)

Park Name	District	Project	Proposing Entity	Threats/Impacts
La Purisima Mission SHP	Channel Coast	Proposed widening of Hwy. 246	Caltrans	May result in increased traffic impacts
Lake Perris SRA	Inland Empire	Housing development	Private developer (700 units)	Impacts to natural resources, increased traffic impacts
Lake Perris SRA	Inland Empire	Impacts from neighboring development	Villages of Lakeview developer	Impacts to natural resources
Leucadia SB	San Diego Coast	Seawall	City of Encinitas	Bluff erosion, beach quality
Los Angeles SHP	Angeles	High speed rail	CA High Speed Rail Authority (HSRA)	Impacts to cultural and natural resources, impacts to visitor access
Los Angeles SHP	Angeles	Los Angeles to San Diego (LOSSAN) Corridor	Caltrans	Impacts to cultural resources, including archeological site under the roadway
Mandalay SB	Channel Coast	350 unit residential housing development	Tri-Mark Northshore Mandalay Bay	Impacts to wildlife and habitat
McGrath SB	Channel Coast	350 unit residential housing development	Tri-Mark Northshore Mandalay Bay	Impacts to wildlife and habitat
McGrath SB	Channel Coast	5,000 unit residential housing development	The River Park Development	Impacts to wildlife and habitat
McGrath SB	Channel Coast	Proposal to increase discharge from plant	Ventura Sanitation Agency	Impacts to wildlife, habitat and water quality
Mount San Jacinto SP	Inland Empire	Impacts from neighboring development	Shadow Rock developer	Impacts to natural resources, increased traffic impacts
Ocotillo Wells SVRA	Ocotillo Wells	Geothermal development	Private	Loss of potentially 25,000 acres, impacts to cultural sites, native plants & animals
Rio De Los Angeles SP	Angeles	High speed rail	CA High Speed Rail Authority (HSRA)	Impacts to cultural and natural resources, impacts to visitor access
Salton Sea SRA	Colorado Desert	Salton Sea restoration	CA Department of Water Resources, CA Department of Fish & Game	Impacts to wildlife and habitat, disruption of recreational opportunities
San Onofre SB	Orange Coast	Construction of new toll road	Transportation Corridor Agency	Loss of park acreage/boundaries, impacts to cultural and natural resources, impacts to wildlife and habitat, disruption of recreational opportunities
San Onofre SB	Orange Coast	Desalinization slant drill wells, pipelines	San Diego County Water Authority	Loss of recreational opportunities
San Timoteo Canyon Property	Inland Empire	Power line project	Southern California Edison	Impacts to natural resources
Santa Monica SB	Angeles	Off leash dogs	Local Gov't	Threats to snowy plover
South Carlsbad SB	San Diego Coast	Commercial development	City of Carlsbad	Loss of park acreage/boundaries
South Carlsbad SB	San Diego Coast	Opportunistic sand replenishment	City of Carlsbad/ SB Water Authority	Impacts to visitor use, threats to habitat and sand quality
South Carlsbad SB	San Diego Coast	Department of Fish and Game Lagoon Mouth dredging	Department of Fish and Game	Impacts to visitor use, impacts to public utilities
Torrey Pines SR	San Diego Coast	Increasing urban development within eastern portion of watershed	Private	Increased sedimentation, increased fresh water pollutants
Torrey Pines SR	San Diego Coast	High speed rail	CA High Speed Rail Authority (HSRA)	Visual impacts and impacts to the natural preserve, and lagoon
Torrey Pines SR	San Diego Coast	Replacement of rail bridges	NCTD	Impacts to water quality, impacts to natural resources
Torrey Pines SR	San Diego Coast	Utilities Replacement, maintenance	SDG&E, City of San Diego	Pole replacement, waterline repairs
Torrey Pines SR	San Diego Coast	Rapid of spread of perennial Veldt grass and Natal grass	Caltrans	Impacts from invasive plant species spread
Torrey Pines SR	San Diego Coast	Road runoff, commercial and residential	City of San Diego	Destruction of natural resources
Torrey Pines SR	San Diego Coast	Carmel Valley Road Widening	City of San Diego	Increased loss of habitat, impacts on water quality
Torrey Pines SR	San Diego Coast	Sediment Basin Construction	Los Penasquitos Lagoon Foundation	Design changes from EIR
Various San Diego area parks	San Diego Coast	Increasing water supply/desalinization	SD County Water Authority/City of Carlsbad	Impacts to water quality, increased urban runoff
