PICNIC TABLE PROGRAM

Thank you for your interest in the California State Parks Foundation Commemorative Picnic Table Program.

With over 75 million annual state park visitors, the gift of a new picnic table enhances California's state parks while sharing your personal story.

A tax-deductible gift of \$2,500 will place a picnic table in one of California's state parks. This cost includes materials and installation, personalized inscription, and delivery. Routed 2-inch letters can be inscribed on the crossbars located at the end of table. Each crossbar has room for 25-characters, not including spacing.

The Sonoma County Probation Camp (SCPC) produces all commemorative picnic tables and has been making state park products for more than 30 years. Established in 1955, the SCPC is a 24-youth, three-phase, short-term correctional and vocational treatment facility for 16-18 year old males committed by the juvenile court.

GUIDELINES

The Department of Parks and Recreation and the California State Parks Foundation are not responsible for vandalism, maintenance, repair or loss of the table or its inscription.

Placement of a picnic table is dependent upon the needs of the Department of Parks and Recreation.

We cannot guarantee that any picnic table will remain in one location; they are subject to being moved based on need.

Tables may be removed from park when it has been determined by the Department of Parks and Recreation staff to no longer be beneficial to the park.

Approvals are valid for 30 days. After 30 days, if payment is not received, we will have to start the approval process over. We cannot guarantee that table approvals will be available again.

Please contact the Picnic Table Coordinator once you have had a chance to read this informational guide to begin the approval process.

WHERE TO START?

1. Request a Park

Contact the California State Parks Foundation to speak with the program coordinator. CSPF Staff will contact the park to determine if they are interested in accepting a donated picnic table.

2. Determine the Location

When speaking with the program coordinator, please specify if you have a specific location in mind. Additional materials such as maps and photographs are strongly encouraged.

3. Inscription and Payment

Once the park has approved the picnic table, you can submit your order form, including payment and your desired inscription.

4. Order Materials

As soon as payment is received, we will order the picnic table and have it delivered to the park. The construction of a table can take up to 8 weeks from order date. Delivery can take up to an additional 4 weeks.

5. Installation

After the picnic table is delivered, we will confirm the schedule of installation with park staff.

***Please note, during winter months installation of tables may be extended due to unfavorable weather.
