TOPLINES | FUTURE GENERATIONS

- We owe it to our children and grandchildren to preserve what we love about California, like our open spaces, clean water, iconic redwood trees, coastline, and parks. We need **#YesOn68** so that future Californians can continue to enjoy our beautiful state.
- Prop 68 is a chance for Californians to step up and protect what matters to us, like clean water and safe parks – and to prepare for the impacts of climate change.
- Prop 68 protects and restores our natural resources for the climate challenges ahead, ensuring our greatest assets are available for future generations.
- Prop 68 will invest 4.1 billion dollars in protecting our water, parks, and natural areas to prepare for the impacts of climate change.
