California State Parks Foundation

STATE PARKS BUDGET

January Proposal	May Revise
\$20 million to create new state park	\$5 million to create new state park
\$4.6 million in bond funds for inholdings to expand parks	\$4.6 million in bond funds to acquire inholding properties
\$8.7 million to improve urban facilities	\$6.1 million Prop 68 bond funds to expand access in disadvantage communities
\$20 million Outdoor Equity Grants (AB209)	Eliminated
\$11.8 million enhancing access projects	\$8.8 million Prop 68 fund to support unspecified projects supporting park access
Low income pass through public health and social services	Unclear if included

IMPACT

- State parks face a decrease of nearly \$40 million in General Funds.
- Increase of nearly \$272 million, primarily Prop 68 funding.
- Lack of clarity in project allocations.

UNKNOWNNS

- Resources dedicated to design of Candlestick.
- Prop 68 funds of nearly \$5 million for nonprofit operators.
- New visitor center for Col. Allensworth new visitor center.
- Restoration projects for native plants.
- What resources will be dedicate due.
- Likely loss of 19 interpreters for K-12 education.
- Low Income pass through public health and social services.

FUTURE CONCERNS

- \$30 million in on-going General Fund cuts beginning in 2021 should federal funds not come in.
- Labor negotiations for future cuts that may result in furlough of state park personnel.
